Introduction. Speakers of American English generally use the present perfect tense (have/has + past participle) far less than speakers of British English.

### **Differences in American and British English grammar**

The grammar of Old English is quite different from that of Modern English, predominantly by being much more inflected. As an old Germanic language, Old English has a morphological system that is similar to that of the hypothetical Proto-Germanic reconstruction, retaining many of the inflections thought to have been common in Proto-Indo-European ...
