Youth development is centered on de-veloping the capacity of the individual youth. Youth empowerment is focused on creating greater community change that,

### **"Youth Empowerment: The theory and its implementation"**

Transgender youth are children and adolescents who are transgender and/or transsexual. Because transgender youth are usually dependent on their parents for care, shelter, financial support, and other needs, and because most doctors are reluctant to provide medical treatments to them, transgender youth face different challenges compared to adults.
