Access for people with a disability to the web can in almost all cases be readily achieved if best-practice solutions are implemented. A complaint of disability discrimination is much less likely to succeed if reasonable steps have been taken to address accessibility during the design stage.

World Wide Web Access: Disability Discrimination Act

The Universal Declaration of Human Rights. Over 70 years after it was adopted by the United Nations in 1948, the Universal Declaration of Human Rights (UDHR) remains the cornerstone of modern human rights law.

Advancing human rights in our own operations | Sustainable

Charter of the United Nations and The Universal Declaration of Human Rights (UDHR) The United Nations (UN) is an international organisation whose stated aims are to facilitate cooperation in international law, international security, economic development, social progress and human rights issues.
