Portrait of a Turkish Family is a gem of a book, and I could not put it down. Told by the eldest son of a wealthy Istanbul family, the story begins in the days of the early 20th century when women wore many jewels (and veils), the family had servants, and there was a large, pleasant garden to sit in drinking coffee. All that is torn asunder by World War I, when the men in the family are called away to fight, food is scarce, fires break out from bombing, and finally the Ottoman Empire collapses.
