In a multicultural nation such as the United States, one would assume that the concept of diversity would have a clear definition; but the definition of diversity differs from person to person, from organization to organization, and from author to author. In some organizations, diversity is strictly focused upon race, gender, religion, and disability status; in other organizations, the concept ...

Cultural Diversity in Organisational Theory and Practice 1. Introduction Increasing globalization requires more interaction among people from diverse cultures, beliefs, and backgrounds than ever before. People no longer live and work in an insular marketplace; they are now part of a worldwide economy with competition coming from nearly every continent. For this reason, organizations need ...
