This report is one of three that the Institute for Government is releasing as part of its research into policy making in government. It provides both an in-depth look at attempts to reform policy

POLICY MAKING IN THE REAL WORLD - The Institute for

an accurate picture of "law in the real world". The Inquiry arose because we hoped that having a clearer diagnosis of the reasons why we don't have enough research in law might give rise to suggestions for what to do about it. We have been discussing this problem for a number of years, including with the Socio-Legal Studies Association, itself founded partly to stimulate empirical work ...
